### ELLIE HUH WINS SUMMER SCHOLARSHIP AT CORNELL UNIVERSITY

ITHACA, NY (June 3, 2020) – Ellie Huh, a junior at Davidson Academy, has been awarded a full scholarship to the 2020 Telluride Association Summer Program at Cornell University, *Humor, Comedy, and the Politics of Identity*. This year Telluride Association is co-sponsoring four programs, two with Cornell University, one with the University of Maryland and one with the University of Michigan. These six-week-long educational programs are centered around college-level seminars for gifted and highly motivated high school juniors.

Admission to the TASP is highly selective. This year's 60 participants were chosen from nearly 1,700 applications from all parts of the United States and abroad. The Telluride Summer Programs solicit applicants from high scorers on the Educational Testing Service's PSAT and receive recommendations of potential applicants from school teachers and counselors. Due to COVID-19, this year's programs will take place online. There are no costs: tuition is free, and participants will receive books and other materials.

Telluride Association is an independent not-for-profit educational organization that has offered Summer Programs to high school juniors of exceptional promise since 1954. Educators wishing to nominate a student for the 2021 TASP are encouraged to visit the Telluride Association website at [www.tellurideassociation.org](http://www.tellurideassociation.org) next fall.
