

## Semester Advising Confirmation 2017-2018

Student Name: \_\_\_\_\_ State Testing Grade: \_\_\_\_\_

DA Staff Advisor: \_\_\_\_\_ Date: \_\_\_\_\_

During semester advising meetings, Davidson Academy staff discuss the following topics with students and parents (if parents choose to attend):

- High school credits earned toward graduation requirements
- State testing requirements
- Scheduling for the upcoming term
- Personalized Learning Plan (spring semester only, or as requested by student)
- UNR processes and requirements for those planning to take courses in an upcoming term  
\*\*\*Students interested in taking UNR classes must schedule an advising meeting. Registration holds on UNR accounts will remain in place until this requirement has been met and all UNR forms have been submitted. Reviewing the information provided on *The UNR Processes and Requirements Form* is highly recommended for all students—and parents of students—who are considering UNR enrollment. This form can be downloaded from Blackboard. Being aware of the processes and requirements is critical due to the time-sensitive nature of UNR class registration. If you have questions pertaining to the information provided on the form, please contact the Student Advising Manager or Assistant.
